Additional Information:

- 1. Prerequisites to MIS classes must be completed with a "C-" or better. Students who do not satisfy prerequisite requirements will be dropped from subsequent classes.
- In addition to the requirements outlined above, each student must complete all University-wide requirements for graduation. These requirements include liberal studies requirements, the multicultural requirement, the summer residency requirement, the FSU residency requirement, and total hours requirement. Depending on time of admission to Florida State University, University-wide requirements may differ; please consult your advisor.
- Please be advised that all MIS courses are not offered every semester and the number of MIS major courses offered in the summer term is extremely limited.
- 4. MIS majors also may wish to complete a minor in computer science or Business Analytics. More information can be found at http://www.cs.fsu.edu/academics/undergraduate-programs/minor-in-computer-science/ and https://business.fsu.edu/undergraduate/minors/business-analytics
- 5. Students must not enroll in any course at another institution without first receiving approval from the College of Business Undergraduate programs Office. Once enrolled at FSU, students should plan to take their upper-level business courses at FSU. Any exception to this policy must be approved in advance by the College of Business Undergraduate Programs Office. Transfer of upper-level business courses completed prior to enrolling at FSU must be from business colleges at other 4-year, accredited institutions. These courses must be approved for course substitution by the College of Business Undergraduate Programs Office upon entering FSU.
- 6. For additional information regarding the Management Information Systems major, contact the Business Analytics, Information Systems, and Supply Chain Department, RBB 325, 644-1900 or Lance Kerwin Ikerwin@bsuiness.fsu.edu.
