- 1. In addition to the requirements outlined above, each student must complete all University-wide requirements for graduation. These requirements include liberal studies requirements, the multicultural requirement, the summer residency requirement, the FSU residency requirement, and total hours requirement. Depending on time of admission to Florida State University, University-wide requirements may differ; please consult your advisor.
- 2. Students must not enroll in any course at another institution without first receiving approval from the College of Business Undergraduate Programs Office.
