M_{Acc} 2016

Digital and Analytics Senior Manager, Financial Accounting
Advisory Services, EY
Miami, Florida

"The team-based learning promoted during the master's program was representative of the team environment I work in today. I would not have the career and opportunities I do today without completing the program."

NATALIA JIMENEZ

M_{Acc} 2018

Senior Tax Accountant, Watsco Inc.
Miami, Florida

"The M_{Acc} program taught me the importance of patience and hard work. It challenged me to think beyond what I thought I was capable of doing. Looking back at my experience, I would encourage students to cherish every day you spend learning."

Please note: Candidates who have taken any of these courses may meet with the MAcc program advisor to have their transcripts evaluated to determine what past coursework can be counted toward the degree program's requirements. International students should have their transcripts evaluated by one of the approved evaluation services listed on the following document: <https://bit.ly/FLevaluation>

Graduate coursework (10 courses, 30 credit hours)

Each of the following three MAcc majors consists of 10 courses taken during the student's final three semesters (typically four courses in fall, four in spring, two in summer):

Assurance and Advisory Services Major: Provides students with skills related to the practice and theory of auditing and related services. Emphasizes building teamwork and analytical skills. Leads to auditing or advisory work at large, international public accounting firms.

Generalist Major: Allows students to expand their overall accounting knowledge. Emphasizes skills necessary for success in the various facets of accounting. Leads to a career in multiple areas of accounting.

Taxation Major: Provides students with meaningful opportunities to develop the technical, analytical and research skills necessary for a successful career in tax. Emphasizes lessons in primary and secondary tax law sources to identify and to investigate alternative tax treatments and solve complex tax issues. Leads to a career with large international public accounting firms as tax professionals.

Please note: Required curriculum for each major may be found at business.fsu.edu/MAcc. Program requirements are subject to change.

Cost of degree

Each MAcc program course's tuition depends on whether it is an undergraduate or graduate course. The program follows the university's tuition rates. For a complete list of current estimated costs, visit business.fsu.edu/MAcc. Consideration for departmental financial assistance is made only for the final two semesters of graduate work and is awarded on a competitive basis.

Admission guidelines

Admission to the MAcc program is highly competitive. The decision is based on a portfolio of qualifications, including prior academic performance, work experience, optional entrance exam scores (such as the GMAT) and letters of recommendation. Entrance exams, such as the GMAT or GRE, are optional to submit if you feel it would strengthen your application. Any submitted test scores become part of the application and are used in the admission decision.

Application process checklist

The following items should be submitted through the Florida State Graduate Application portal, available exclusively online at admissions.fsu.edu/gradapp:

- Applicant Statement
- Current resume/C.V.
- Three (3) academic or professional letters of recommendation from former college professors, employers, or internship supervisors. Personal recommendations are not accepted.
- Nonrefundable application fee of \$30.00 (see University Application or go to fees.fsu.edu)
- Florida Residency Declaration if applicable

The following items should be sent to the Graduate Admissions Office, 222 S. Copeland St./314 Westcott Building, Florida State University, Tallahassee, FL 32306-1410 or to graduateadmissions@fsu.edu:

- One (1) official transcript from all colleges and universities attended (FSU transcripts are not necessary for FSU alumni, students)

Official test scores if applicable:

- GMAT or GRE scores are optional and should be submitted if they will enhance the application. Any submitted test scores become part of the application. The code to send GMAT scores to Florida State is PN8K567, and the code to send GRE scores is 5219.
- English Language Proficiency scores are an FSU requirement for international applicants whose native language is not English or who have not completed an undergraduate or graduate degree from a U.S. institution or other institution where English is the required language of instruction; therefore, it cannot be waived. The code to send TOEFL scores to Florida State is 5219.
