BYLAWS FOR THE DEPARTMENT OF MANAGEMENT
Revised January 26, 2011

Preamble: Administrative concerns of a University department are secondary to academic matters, but they are nevertheless important for a smooth-running and effective department. The purpose of the following is to formulate a scheme of organization and operating procedures for the Department of Management that will be in keeping with these academic and administrative needs. These bylaws supplement higher authorities such as Florida Statutes, the FSU Constitution, the General Faculty Bargaining Unit Collective Bargaining Agreement (CBA), and the Faculty Handbook (FH). There is no intent to contradict those authorities in these bylaws, and failure to incorporate their provisions here is intended to avoid excessive duplication and does not diminish the effect of those authorities.

A. Faculty and Faculty Meetings:

1. The faculty of the Department of Management will be defined to include all persons holding tenured and tenure-track professorial rank positions, Instructor, Lecturer, Assistant In ____, Associate In ____, and Research Associate positions, and any other faculty positions within the General Faculty Bargaining Unit and assigned to the department. Also included are persons holding joint appointments in other departments, institutes, centers or divisions, provided that those persons are appointed at least 50% in the Department and receive an assignment of responsibilities (AOR) from the Department. Those who would qualify as faculty but for administrative duties will be considered faculty in the Department whenever possible.

2. All Department of Management faculty will be eligible to vote in departmental matters in which a vote is taken except as precluded by higher authority.

3. Faculty meetings will be held at least once each fall and spring semester. Additional meetings may be called by the Chair or on written request of five voting members.

4. A majority of the faculty will constitute a quorum. All faculty members will be notified of Departmental meetings and agenda for the meetings at least 48 hours in advance. Minutes will be kept and made available to all faculty as soon as possible.

5. When electronic voting (e-mail or web-based) is used, relevant materials will be e-mailed to faculty or posted on a web site accessible to faculty and announced by e-mail to faculty at least 48 hours before votes are tallied. If votes are received from a majority of the faculty, then a quorum will have been established.
B. Chair:

1. Appointment of the Chair will be made by the Dean of the College of Business with the advice of the faculty of the Department. Faculty preferences will be determined by secret ballot, with the numerical results reported to the Dean.

2. The Chair is appointed for a three-year renewable term, but also serves at the pleasure of the Dean, and the President of the University.

3. At the request of five or more faculty members, a secret ballot on the continuation of the Chair’s service will be held. If a majority of eligible faculty vote “no” on the Chair’s continuation, this will be conveyed to the Dean along with a recommendation that the Dean strongly consider immediately terminating the Chair’s service as Chair and appointing an Acting Chair. The Dean, with the advice of the faculty, will be encouraged to consider appointing a new Chair for a three-year renewable term as soon as possible.

4. The Chair will be the chief executive officer of the Department, responsible to the University Administration and the faculty of the Department. The Chair will consult with the proper committees on such matters as appointments, promotion and tenure recommendations, salary adjustments, and curriculum, assignment of teaching and research assistantships, and general questions concerning allocation of departmental resources.

5. The Chair will be, ex-officio, a nonvoting member of all departmental committees, except that he/she may cast the deciding vote in the event of a tie.

6. The Chair will be evaluated by the Dean of the College of Business for purposes of annual evaluation. To ensure the accountability of the Chair to the faculty, the faculty will annually provide their views on the Chair's performance to the Dean via the Department Peer Evaluation Committee.

C. Associate Chair:

1. The Chair may appoint an Associate Chair to assist in the administration of the Department. If an Associate Chair is appointed, the choice must be ratified by a majority of the faculty and approved by the Dean.

2. The term of appointment of the Associate Chair will be at the discretion of the Chair and the consent of the Associate Chair.

3. The Associate Chair will be the representative of the Chair for those purposes and occasions assigned to him/her by the Chair.
D. Peer Evaluation Committee

1. The Chair will annually appoint a Peer Evaluation Committee (PEC) consisting of at least four faculty members. The Chair will designate one faculty member as the Chair of the PEC. The Committee will provide advice to the Chair for the performance evaluation and recognition of merit of all departmental faculty.

2. The Committee will annually solicit and summarize faculty views on the Chair’s performance to provide advice to the Dean.

E. Promotion and Tenure Committee

1. The faculty will annually elect a Promotion and Tenure Committee consisting of at least three faculty members, all of whom are tenured, where the faculty pool makes this feasible.

2. The Committee will be responsible for reviewing the records of all prospective tenure-track promotion or tenure candidates and recommending action on them.

F. Graduate Coordinator(s)

1. The Chair will appoint a Graduate Coordinator, or a Graduate Coordinator for each doctoral program. Graduate Coordinators are responsible for general administration of departmental graduate programs, including recruiting, admissions, assistantships, academic counseling, curriculum, and comprehensive examinations.

2. The Chair will designate the Graduate Coordinators to serve as the department’s representatives to the College doctoral policy committee.

G. Undergraduate Committee:

1. The Chair may appoint an Undergraduate Committee consisting of not less than three faculty members, with responsibility for the Department’s undergraduate programs.

2. The Chair of the Undergraduate Committee, if such committee is appointed, will serve as the department’s representative on the College’s Undergraduate Committee.

H. Other Committees and Appointments:

1. The Chair of the Department may appoint such other standing or ad hoc committees as circumstances will from time to time require.
2. The Chair may appoint department faculty to serve as department representatives on College and University committees except as otherwise noted in these Bylaws.

I. Faculty Assignment of Responsibilities (AOR)

1. Each faculty member will receive annually a written assignment of responsibilities (AOR) from the department Chair. This assignment will be developed by the department Chair in consultation with each faculty member. The completed assignment form will reflect the mix of teaching, research and service and/or administration assignments upon which the faculty member will be evaluated.

2. Because of changing needs of the department and the college, changes to the initial assignments may be necessary; however, faculty will be informed in writing of these changes if and when they occur prior to their occurrence and these changes will be reflected in an amended AOR.

J. Faculty Performance Report and Annual Evaluation

1. During the beginning of the spring semester, each faculty member will complete the College of Business Faculty Performance Report for the preceding calendar year. The various items of evidence relating to performance in teaching, scholarship, service, and administration described in the CBA, FH, and Appendix A, Management Department Criteria for Evaluation and Procedures for Merit Salary Increases will be included in this report, as well as other performance information that the faculty member deems to be important.

2. The set of Faculty Performance Reports for the department provides the basic information for evaluating departmental faculty.

K. Promotion and Tenure

1. University and College Requirements: Departmental recommendations for promotion and tenure recognize and follow University-wide policies detailed in the Collective Bargaining Agreement (CBA), the annual promotion and tenure memo from the Dean of the Faculties, and the Faculty Handbook (FH). College of Business and Department of Management policies are made known to the faculty by the Dean of the College and by the Chair of the Department.
2. Departmental Criteria and Standards:
   a. General Criteria and Standards of Faculty Performance: The Department will expect a faculty member to perform effectively in assigned areas of responsibility. In considering a faculty member for promotion or tenure, the Department will give due regard to the nature of the faculty member's assigned duties within the Department. Promotion and tenure criteria and standards are logically related to the criteria and standards for annual faculty evaluation. The Chair and the members of the Promotion and Tenure Committee will evaluate faculty eligible for promotion. Every faculty member is invited to make available to the Chair and Committee whatever information that the faculty member believes is appropriate as supporting evidence to the quality and level of his or her teaching, research, and service activities, subject to the provisions of the CBA, the annual promotion and tenure memo from the Dean of the Faculties, and FH.

   b. Criteria and Standards for Tenure Track Promotions and Tenure: Recommendation for promotion to the rank of Associate Professor or tenure is based upon recognition of demonstrated effectiveness in teaching, scholarly endeavor, and contribution to the college and to the discipline, and is normally associated with significant achievement and at least a clear potential for development of a national or international reputation as a scholar in one’s field. Nominations for tenure will include the results of a secret ballot poll of tenured faculty. Promotion to Associate Professor must take place prior to or concurrent with tenure consideration. Tenure must take place within seven years, as no faculty member may hold the rank of Instructor, Assistant Professor, Associate Professor, or Professor for longer than that without having been awarded tenure. Assistant Professors who do not show potential for promotion to Associate Professor can be expected to be terminated by the Department prior to the expiration of the seven year limit. Recommendation for promotion to the rank of Professor is based on accomplishment of high order in scholarly endeavor, superior teaching, and intellectual leadership in the profession, and is normally associated with achievement of a national or international reputation as a scholar in one’s field. Specific criteria for evaluation are provided in Appendix A, Management Department Criteria for Evaluation and Procedures for Merit Salary Increases.

   c. Criteria and Standards for Non-Tenure Track Promotions: Nominations for promotion of non-tenure track faculty will be made by the Chair, applying the criteria and standards specified by the Dean of the Faculties Office and the CBA. Additional criteria and standards, if specified, are included in Appendix A, Management Department Criteria for Evaluation and Procedures for Merit Salary Increases.
d. Standards and criteria for merit salary adjustments are included in Appendix A, Management Department Criteria for Evaluation and Procedures for Merit Salary Increases.

3. Annual Progress Evaluation: All faculty eligible for promotion or tenure will be apprised by the Chair annually in writing of their progress toward promotion or tenure. In assessing progress toward promotion or tenure, the chair will give substantial weight to the assessments of the Peer Evaluation Committee. Faculty members in their third year of tenure-earning appointments will prepare a binder for review that includes evidence on scholarship, teaching, and service. The Peer Evaluation Committee will solicit and consider assessments from all tenured faculty in developing its assessments of tenure-track faculty.

L. Appointment to the Graduate Faculty and Award of Graduate Faculty Status (GFS):

1. Normally all tenure-track Department faculty are appointed to the graduate faculty and teach at that level as well as at the undergraduate level. GFS may be awarded to tenure-track faculty. Non-tenure track faculty may be appointed to Graduate Teaching Status (GTS), co-Masters Directive Status (co-MDS), and co-Doctoral Directive Status (co-DDS).

2. Departmental policy is that tenure-track faculty members be recommended for GFS when they demonstrate proven scholarship. Appointment to GFS must be by affirmative super majority (2/3) vote of the GFS faculty of the Department and approval of the Chair, the Dean of the College, and the Dean of the Graduate School. GFS will be awardable upon arrival at FSU.

3. Department policy for non-tenure track faculty members is that they be recommended for GTS, co-MDS, or co-DDS provided that they hold a Ph.D., demonstrate proven scholarship, and meet University and College requirements for these designations. Appointment to GTS, co-MDS, or co-DDS must be by affirmative super majority (2/3) vote of the GFS and GTS faculty of the Department, and approval of the Chair, the Dean of the College, and the Dean of the Graduate School.

M. Faculty Governance:

1. The Chair will ensure that faculty members will share significantly in governance responsibilities via regular or ad hoc committees, or secret ballots of the faculty, as appropriate. Faculty members shall be involved in: recruitment of new faculty and other professionals; development of high quality programs; program review; department review; department reorganization; development of criteria for tenure, promotion and merit salary increases; and other matters of professional concern.
2. Faculty Senate: Eligible Department faculty members shall participate in the election of Faculty Senate representatives for the College of Business as provided in the College Bylaws.

N. Amendments:

Any five voting members of the Department may propose an amendment to the bylaws. A proposed amendment must be available to the voting membership at least two weeks prior to the Department meeting in which it will be considered. To be adopted, a proposed amendment must receive an affirmative vote by a two-thirds majority of those voting in a secret ballot of the faculty.

O. Effective Date:

These Bylaws were revised and adopted by a 2/3 majority of the Management faculty on January 26, 2011 and become effective on January 26, 2011.
