Admission guidelines

Admission to the MS-RMI program is highly competitive. The decision is based on a portfolio of qualifications, including prior academic performance, work experience, entrance exam scores (such as the GMAT or GRE) and letters of recommendation.

The entrance exam is a university requirement that may be waived if an applicant meets certain criteria. For example, those who have already earned graduate degrees, have substantial management experience and/or graduated with high GPAs from business schools accredited by AACSB International may be eligible. For exact criteria and instructions on requesting waivers, see business.fsu.edu/waive.
