"Florida State gave me the opportunity to obtain a graduate degree while still maintaining a school-life balance, all at a reasonable cost per credit hour. The professors are top notch, and the classes are engaging. It's also reassuring to know that my degree is from an institution that is accredited, competitive and world-renowned for its quality academic programs."

Prerequisites

All MS-MIS applicants must have either (a) 2 years of technology-related work experience OR (b) an undergraduate degree in information technology, computer science or related field plus 2 years of general work experience.

Work experience is considered technology-related if an applicant uses specialized technologies (such as ERP systems, analytical systems, etc.) or manages technologies to achieve strategic goals. All applicants should have a basic understanding of programming languages, database concepts, and software analysis and design.

Please note: Program requirements are subject to change.

Cost of degree

Students pay the same price, plus applicable fees, for courses regardless of location. For a complete list of estimated costs, visit: business.fsu.edu/OnlineMIS

Admission guidelines

Admission to the MS-MIS program is highly competitive. The decision is based on a portfolio of qualifications, including prior academic performance, work experience, entrance exam scores (such as the GMAT or GRE) and letters of recommendation. The entrance exam is a university requirement that may be waived if an applicant meets certain criteria. For exact criteria and instructions on requesting waivers, see business.fsu.edu/waive.

Application process checklist

The following items should be submitted through the Florida State Graduate Application portal, available exclusively online at admissions.fsu.edu/gradapp:

- Applicant Statement
- Current resume/C.V. clearly indicating all post-college work experience, including dates and positions held, noting full-time or part-time employment.
- Two (2) letters of recommendation from employers or former college professors that speak specifically to the applicant's ability to successfully complete the MS-MIS program (submitted by the recommenders in the online application).
- Nonrefundable application fee of \$30.00 (see University Application or go to fees.fsu.edu)

The following items should be sent to the Admissions Office, PO Box 3062400, 282 Champions Way, Florida State University, Tallahassee, FL 32306-2400:

- One (1) official transcript from all colleges and universities attended (FSU transcripts are not necessary for FSU alumni, students)
- Online Florida Residency Declaration Form (see University Application or admissions.fsu.edu/residency)
- Official GMAT/GRE score(s) and, if applicable, TOEFL/IELTS score(s) (The TOEFL/IELTS score is a University requirement for international applicants whose native language is not English and who have not completed an undergraduate or graduate degree from a U.S. institution or other institution where English is the required language of instruction; therefore, it cannot be waived). The code to send GMAT scores to Florida State is PN8K567, and the code to send GRE or TOEFL scores is 5219.
