EXTRACURRICULAR ACTIVITY

Ballkids Management Team, China Open

Beijing, China

Volunteer team leader

08/2016-10/2016 & 08/2017-10/2017

- Participated in the interview to select new volunteers according to the performance, trained the new volunteers, introduced their responsibilities and tasks during the summer training camp and the match period.
- Assigned tasks to the volunteers such as providing waters and foods to the kids, managing the goods and materials of training and looking after the kids who were unwell during the summer training camp.
- Selected the ballkids who were qualified to serve on the court during the match period, divided them into groups of six and dispatched them to the court during China Open. Since three groups took turns to serve on the court, I need to manage their time and make sure the fluency of the whole rotation.
- Made substitution at once when a kid cannot provide service well for players because of health problem or disobeying the disciplines.
