

MASTER OF ACCOUNTING

FOR NON-ACCOUNTING MAJORS

"It's not too late to pursue a career in accounting. Our program provides a great opportunity for students with quantitative backgrounds to build a business foundation, add advanced and analytical accounting skills and prepare to sit for the CPA exam. Work with our academic coordinator to map out a customized course schedule."

— Allen Blay
Associate Professor of Accounting

CRITICALLY ACCLAIMED: Join Florida State's legacy of high passing rates on the CPA exam. Benefit from our program's partnership with Becker CPA Review.

TESTED AND APPROVED: Nine out of 10 recent MAcc graduates say they would recommend the program to a friend or colleague.

REVIEWED AND ACCREDITED: The FSU College of Business is accredited by The Association to Advance Collegiate Schools of Business (AACSB). Fewer than 5 percent of business schools earn this achievement. The college's accounting program also secured an additional specialized AACSB accreditation only held by 186 institutions worldwide.

MOVE FORWARD TODAY: Apply by Oct. 1 for spring entry, March 1 for summer entry, June 1 for fall entry.

International students should have their transcripts evaluated by one of the approved evaluation services listed on the following document: bit.ly/Fvaluators

Graduate coursework (10 courses, 30 credit hours)

Each of the following three MAcc majors consists of 10 courses taken during the student's final three semesters (typically four courses in fall, four in spring, two in summer):

Assurance and Advisory Services Major: Provides students with skills related to the practice and theory of auditing and related services. Emphasizes building teamwork and technical skills. Leads to auditing or advisory work at large, international public accounting firms.

Generalist Major: Allows students to expand their overall accounting knowledge. Emphasizes skills necessary for success in the various facets of accounting. Leads to a career in multiple areas of accounting.

Taxation Major: Provides students with meaningful opportunities to develop the technical, analytical and research skills necessary for a successful career in tax. Emphasizes lessons in primary and secondary tax law sources to identify and to investigate alternative tax treatments and solve complex tax issues. Leads to a career with large international public accounting firms as tax professionals.

Please note: Graduate coursework is scheduled to begin after the completion of foundation coursework but may be started in the last semester of foundation coursework with the approval of the MAcc program director. Required curriculum for each major may be found at business.fsu.edu/MAcc. Program requirements are subject to change.

Cost of degree

Each MAcc program course's tuition depends on whether it is an undergraduate or graduate course. The program follows the university's tuition rates. For a complete list of current estimated costs, visit business.fsu.edu/MAcc. Consideration for departmental financial assistance is made only for the three semesters of graduate work and is awarded on a competitive basis.

Admission guidelines

Admission to the Master of Accounting program is highly competitive. The decision is based on a portfolio of qualifications, including prior academic performance, work experience, entrance exam scores (such as the GMAT or GRE) and letters of recommendation. The entrance exam is a university requirement that may be waived if an applicant meets certain criteria. Apply for a GMAT exam waiver if you have passed all four parts of the CPA exam or have significant accounting work experience. For exact criteria and instructions on requesting waivers, see business.fsu.edu/waive.
